

# EXOTIC AUSTRALIA WITH HAMILTON ISLAND

Melbourne, Hamilton Island & Sydney  
9 Nights & 10 Days

# australia

An island, country and a continent... Australia is bigger than your imagination. The essence of this exotic place lies in its diversity: be it the deserts, coral reefs, thick forests, snow-cloaked mountains or multi-cultural metro cities, Australia sweeps you off your feet. Sydney, the sun-kissed Harbour City, is a glamorous collusion of beaches, boutiques and bars. Melbourne is an all arts, alleyways and Australian Rules football city. Brisbane is a subtropical town on the way up while Gold Coast is a coastal area buzzing with youthfulness. That said, wherever you head to, you'll never go wanting for a decent coffee, live bands, art-gallery openings or music festivals. Infact, numerous festivals and other public spectacles are held every month in Australia, ranging from the summertime food-and-wine banquets, large-scale concerts and mid-year arts celebrations to end-of-year footy finals, horse races and yachting contests. Truth be told, any time is a good time to be somewhere in Australia.
