### **HOLY MT KAILASH AND MANSAROVAR LAKE- AN INTRODUCTION:**

Holy Mt Kailash and Mansarowar Lake, center of creation & the Universe are as old as the creation. Thousands of Sages, Ordinary Mortals, Philosophers and even Gods had submerged in the blissful trance at the very sight of this divine grandeur. It is the MERU, SUMERU, SUSHUMNA, HEMADRI (Golden Mountain), RATNASANU (Jewel Peak), KARNIKACHALA (Lotus Mountain), AMARADRI, DEVA PARVATHA (Summit of Gods), GANAPARVATHA, AJATADRI (Silver Mountain). Regarded as SWAYAMBHU, the self-created one, everything is said to emanate from here and finally returns here. Mind is the knot tying consciousness and matter-that is set free here.

Famously known to be an abode of **LORD SHIVA** and his divine consort **PARVATI**, Mt. Kailash expounds the philosophy of **PURUSHA** and **PRAKRITI-SHIVA** and **SHAKTI**. The radiant **SILVERLY** summit is the throne of **TRUTH**, **WISDOM** and **BLISS-SACHIDANANDAM**. The primordial

sound **AUM (NADABINDU)** from the tinkling anklets of **LALITA PRAKRITI** created the visible patterns of the universe and the vibrations (**DVANI**) from the feet of Lord Shiva (**NATARAJA**) weaved the essence of **ATMAN**, the ultimate truth.

Mt. Kailash is considered to be the centre of Hindu philosophy and civilization. Kalpa Viruksha tree is supposed to adorn the slopes. South face is described as Sapphire, east as crystal, west as Ruby and north as Gold. The city of **KUBERA** is also situated here. Ganga after originating from the toe of Mahavishnu enters the lunar circle and descends further from Kailash after circuiting it seven times and then ultimately divides herself into four rivers. The major rivers of Nepal and India originating from this area are Brahmaputra(Lohita), Indus(Sindhu), Sutlej(Shatadru) and Karnali. Every object in this area is sanctified and each one is related to gripping legends. As one ascends through **PARIKRAMA**, one encounters holy peaks of **RAVANA PARVAT, HANUMAN PARVAT, PADMASAMBHAVA, MANJUSRI, VAJRADHARA, AVALOKITESWARA, JAMBHEYANG, SHAVARI, and NORSENG**.

The scriptures reiterate that one, who takes the holy dip at Mansarovar and carries out the Parikrama around Kailash, is absolved of his/her sins through generations and is absorbed into the Supreme Finality. There is no re-birth; sorrows or joys and he/she will be with ultimate –the Lord Shiva. In other words, they become Shiva.

In addition to the Hindus, the entire region is also one of the most important pilgrimage centers for the Buddhists. They worship **DEMCHOK** (Buddha in forceful form) seated on the summit of Kailash. It is also called Dharmapala, one version quotes the deity as a form of Shiva's manifestation. The description of the deity is more or less like Shiva. Devi is also given a similar form like Parvati. Buddhists adore Kailash as **KANG RINGPOCHE** and Manasarovar as **TSO MAPHAM**. Guru Rinpoche (The great Indian Master **PADMASAMBHAVA** who introduced Buddhism) and Saint Milarepa are greatly revered here by the pilgrims. Since **TANTRISM** runs through the main core of Buddhism here, their customs and practices would be found running close and parallel to Hindu traditions. Like Hindus, they also consider (**DOLMA (DEVI)** and **GAURI KUND** (Thuki Zingbu) as holiest spots. Buddhists strongly believe that pilgrimage to this place liberates them to **NIRVANA**.

Besides, Jains acknowledge Kailash as **ASTAPADA** and **PADMAHRADA**. It is believed that **ADINATH VRISHABDEVA** - the first Tirtankara attained Nirvana here. A few claim that **GURU NANAK** meditated here. Across the river **CHU**, there on the Nyanri range stands an impressive temple. Inside this monastery there is a marble statue radiating peace and compassion. This statue is claimed to be that of Guru Nanak.

The entire area echoes with spiritual vibrations. Even the agnostics shall discover new balance amidst that fathomless serenity. One has to experience it. The common belief is that those who are ordained only could be there.

## INFORMATION

### Health Pre-caution

Oxygen is less at higher altitudes. The inclement weather and high altitude induces certain illnesses generally not encountered over the plains. Headache, nausea, lassitude, lethargy, breathlessness, general uneasiness (malaise), high irritability, light loss of balance, disorientation, incoherence and insomnia are to name among a few. It is common to all irrespective of age, sex and physical fitness. Gradual acclimatization is the

best answer. Tranquilizers, sleeping dosages and strong antibiotics must be avoided. Some symptoms do indicate that the body mechanism is readjusting to new environment.

### Route & Climatic Conditions

Once the voyage commences, the panoramic Himalaya and Tibet cocoon the pilgrims in their effulgence and they drift beyond the reach of a conventional world. Deep silence and eerie expansiveness rule the atmosphere. A resourceful pilgrim, however, would enjoy his every step – planning is the key.

Route from Kathmandu to Tatopani (Nepal-China border) is narrow and scary but from the border onward roads are well maintained. The high altitude Tibetan terrain is dry, cold and windy. Night is colder than day. Torrential rains, strong icy winds are common features. The average altitude is above 3,500 meters and the route covers many high altitude passes.

However, the entire program in Tibet is conducted strictly under the rules and regulations of China Tibet Tourism Bureau (TTB). Therefore, **Fishtail Tours/Trek (P) Ltd.** & its related organizations will not be responsible for any changes in the itineraries due to unavoidable circumstances such as government restrictions, delay in receiving Tibet Travel Permit and Visa due to TTB's own rules and regulations, land slides, road blockages, floods, snow, political unrests, cancellation of flights, delay due to shortage of land cruiser Jeep/Coach in Tibet, personal sickness or accident. Any extra cost incurred shall be borne by travelers themselves.

**Food and Beverages:** Delicious continental & Indian food will be served. Breakfasts and Dinners will be served in campsite by trained Nepali staffs. Packed lunch will be provided during daytime. We will serve mineral water for drinking purpose.

### **Most important points to be noted and prepared:**

1. It should come into notice of all Kailash Yatrics that, all Tibet and Holy Mt. Kailash Yatra/Tour operators in Nepal have very fewer roles to play in handling Tibet and Holy Mount Kailash Yatra operation. The decision of Tibet Tourism Bureau (TTB) and China India Pilgrim Service Centre (CIPSC) is final and mandatory to be followed and accepted by all. Hence, interested clients for Tibet and Holy Mt Kailash Yatra (especially Indian Yatrics) are requested to be prepared, both mentally and physically, for the following adverse situations and do the necessary preparations accordingly. In case of occurrence of any of the following conditions, the management of Fishtail Group of Tourism Hospitality Industries or its associates won't be liable and be made responsible:
  - a. Though you might have submitted both your name list with advance payment and the application for the Tibet Travel Permit in time as per the rules, it cannot be guaranteed that the Tibet Travel Permit and the Visa will arrive in time. Sometimes, the Tibet Travel Permit or the Visa might be rejected by the concerned authorities, i.e., TTB and CIPSC at the very last hour (even after your arrival in Nepal or after issuance of your non refundable to and fro ticket to Nepal)
  - b. In case of failure to obtain the Tibet Travel Permit and the Visa on time as per the stipulated date of arrival/departure, all additional expenses in Nepal (accommodation, food, transportation etc.) have to be borne by the client himself/herself.
  - c. In case of rejection of your Tibet Travel Permit and the Visa by the concerned authorities, i.e., TTB and CIPSC, at the last hour (after arrival in Nepal), the client himself/herself has to issue fresh return ticket or manage his/her return journey on his/her own expense.

- d. All the price given below in Indian currency are calculated at the rate of 60/- per US dollar, i.e. ( ROE) is 60/- at the time of pricing. All the difference due to currency fluctuation will be borne by either side.
